SENIOR HOUSING IN CENTRAL ALBERTA

VISION STATEMENT: To develop, support and operate a not-for-profit seniors housing and care community rooted in Christian values where needs are addressed with respect, dignity and compassion.

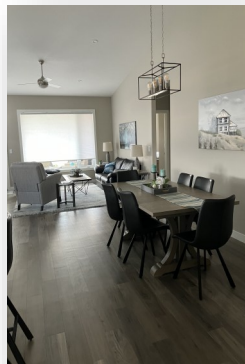

A LETTER TO THE COMMUNITY

ISSUE #50 February 2026

At Charis Village, we are looking forward to spring this year as it marks another exciting milestone for our community. Construction will soon begin on four new duplexes. As weather permits, basements will be dug and building will move forward quickly. Interest has been strong, with six of the eight duplex homes already conditionally leased or spoken for. Only two of the one-car garage units remain available.

We also currently have a larger duplex that is move-in ready. This duplex is 1422 sq ft on both the main floor and in the fully developed basement. Three key features are main floor laundry, a large walk-in pantry and a good sized office. The basement has two large bedrooms for guests and plenty of space for family to enjoy time together. Air conditioning throughout and in floor heating in the basement make it a comfortable space year-round.

In Chinook Villa, unit 109 which is currently being used as the office, will be available for lease later this summer. This unit - 1234 sq ft - is wheelchair accessible with two bedrooms and two bathrooms as well as a small office space. It is on the main floor with easy access to the outside.

If you are considering a move this fall, we encourage you to connect with us soon to explore your options.

The first week of June marks Seniors' Week, and planning is underway. We will focus on Health & Wellness with local businesses sharing resources specifically for seniors.

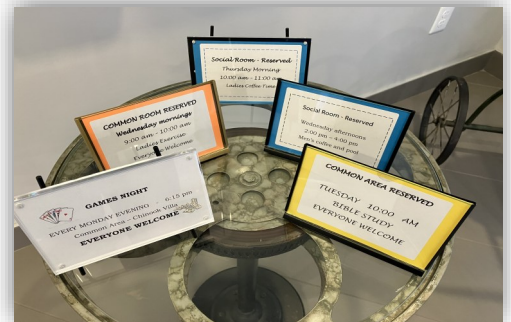

Seniors' Week has been recognized since 1986 to celebrate and recognize the contributions seniors make to enhance the quality of life in Alberta. Seniors' Week was inspired by the vision of the late Alice Modin. Forty years ago, Modin began a campaign to start a seniors' day in Strathcona County that helped pave the way for this annual event.

CHARIS VILLAGE COMMUNITY NEWS

Charis Village is becoming a real hub of activity. There are a number of activities happening every week. Monday evening is games night. Tuesday morning is Bible Study and every other Tuesday afternoon we have the Friends of Charis quilting ladies meet to work on quilts for the charity called "Bags of Love". On Wednesday morning the ladies have an hour of exercise together and in the afternoon the men get together for coffee and games. Thursday morning sees the ladies get together for coffee. Many evenings and weekends the common room is booked for family events like birthdays or anniversaries and even Super Bowl parties. We even have had a few wedding celebrations and open houses. Once in a while a musical group comes in to spend some time in singing and entertainment. All residents of Charis Village are encouraged to join in the various activities as we work towards developing a community of support and encouragement as new friendships are formed and where you can age with grace.
