A LETTER TO THE COMMUNITY *ISSUE #54 November 2026*

What's happening at Charis Village? Construction continues and new residents are looking forward to making Charis Village their new home. Finishing touches are being chosen and ordered as we prepare to welcome them into our community.

If you're considering right-sizing for the next stage of life, the new year may be the perfect time to explore your options at Charis Village. A brand-new duplex with a two-car garage is ready for occupancy. Another duplex with a single-car garage is under construction and expected to be ready by the end of March. We also have a single-car garage unit available for occupancy on January 1st.

A second-floor suite is also available in Chinook Villa. This spacious 1180 sq ft suite is located on the north west corner giving lots of wonderful natural light all day.

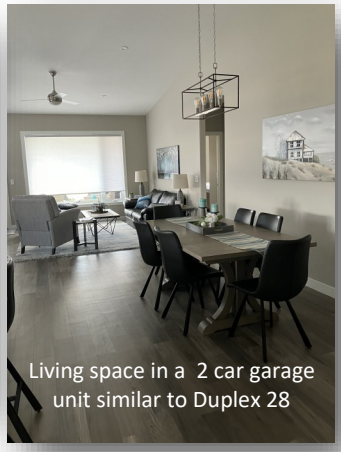

If any of these options pique your interest, please call our office for more information. We'd be happy to arrange a personal tour, explain how our Life Lease program works, and help you determine whether Charis Village is the right fit for you. We're also pet-friendly, welcoming your furry companions weighing up to 25 pounds.

Plenty of family space in the basement. Plus 2 large bedrooms & lots of storage.

Introducing Marilyn Magistad

HOW MARVELOUS IS GOD

Seven years ago, my husband became ill and had to go to the nursing home as I could not care for him anymore. It was September and he told me to get out of the house before winter. I would not be able to manage the work. Many prayers went up about this situation.

I started to look online, at advertisements, and realtors but nothing in Ponoka where I lived was suitable. Talking to God, I decided to look in Lacombe. I did not want to go far as I wanted to be able to visit my husband. Charis Village came up and looked promising. Plans were made, work was done, and I continued to visit my sweetheart. My husband passed away in March of 2020. God led me to put the house up for sale in June and I was able to sell it to a young couple. The young fellow had worked on the Chinook Villa building. He agreed to do all the heavy yard work until I moved in December of 2020. One of the first four duplexes on site.

Throughout all this the hand of God was evident to me, even to the realtor mentioning it as something he had never seen before. Every need was met, I am happy here and God is so good.
